THE DISTRICT
The White Plains City School District continues its long tradition as one of the most forward-thinking school districts in the nation, in a community that strongly supports public education.

Our primary emphasis is on academic achievement and helping each child reach his or her full potential. This is supported by a very favorable ratio of students to professionals, as well as various programs for special populations, through enrichment programs, Learning Strategies and ENL.

The configuration of all sixth graders at the Eastview Campus and seventh and eighth graders at Highlands has proven to be a very successful Middle School model. The District believes this better serves the needs of all of our students at this key transition point in their development and results in helping to increase their achievement. Students at both campuses have access to many extracurricular and athletic activities.

This year we will continue to expand our Dual Language Program. George Washington and Post Road has been expanded to three schools, and (Church Street). Other innovations in recent years include a new engineering program at the elementary level (Project Lead The Way) as well as a P2W Computer Science strand and the addition of an American Sign Language course both at the High School. Another noteworthy initiative, started last year, is Earth Science for All at the Middle School.

Full-day Kindergarten is available for all students and in each of our elementary schools community providers offer Pre-Kindergarten programs. The expansion of State funding has enabled these providers to offer full-day programs. (For further information, please contact the Family Information Center, 422-2038.)

We continue to work toward maintaining high standards in all fields of study. Test results and other measurements show steady improvement and a narrowing of the achievement gap.

The District provides state-of-the-art computer technology to all classrooms and links the schools to a wide variety of instructional resources. Email is used as a communication tool between school and home and websites have been developed by all the schools.

Within our Controlled Parents’ Choice Program, parents participate in the selection of the elementary school their children attend.

White Plains High School, located on a 75-acre campus, with a swimming pool and a modern MAC lab among other facilities, provides exciting and varied educational and extracurricular opportunities. The school offers over 300 courses, with 51 at the Honors and Advanced Placement levels, five-year foreign language sequences, dual enrollment courses that lead to college credit, and a Science Research Program, among other programs.

PROJECTED ENROLLMENT 2019-2020
Total Projected: 7,156

Church St. School 654
George Washington School 640
Mamaroneck Ave. School 653
Post Road School 645
Ridgeway School 658
Eastview Middle 547
Highlands Middle 1,056
High School 2,140
Alternative Programs 115
Out-of-District 56

VISION
We aspire to unlock the infinite and unique potential of each student, every day.

MISSION
Educate and inspire all students, while nurturing their dreams, so they learn continually, think critically, pursue their aspirations and contribute to a diverse and dynamic world.

CORE BELIEFS
We believe that:

➢ All people have intrinsic value.
➢ Celebrating and embracing diversity enrich life.
➢ All people can learn, grow and contribute.
➢ Every choice matters, and that people are responsible for their choices.
➢ Respect, honesty and trust empower.
➢ When people serve the community, both the individuals and the community benefit.
➢ High expectations promote high achievement.

THE STRATEGIC PLAN
The District follows a Strategic Planning initiative to develop long-range plans for the future.

Community members were involved in the development of Core Beliefs, a Mission statement, Strategic Objectives and Strategies, listed below. The Board of Education accepted the Strategic Plan, as presented by the Core Planning Team, and the Superintendent made recommendations for each of the five strategies. https://www.whiteplainspublicschools.org/Page/37

Immediate Priorities

➢ Provide access to a deliberately designed, rigorous, enriched curriculum that challenges and meets the needs of each student.
➢ Reduce the number of chronically absent students.
➢ Welcome, engage and nurture relationships with our families and communities

Core Strategies
Continue to improve performance

1. Increase access to holistic wellness supports for all students so that they are ready to learn.
2. Recruit, hire and retain a diverse and talented staff.
3. Finalize, approve and implement the master facility plan and multi-year capital project.
4. Forge and sustain critical partnerships to increase opportunities available for students.
5. Publicly celebrate and highlight student and district successes.

District Professional Development will support our priorities and strategies.
FROM THE SUPERINTENDENT

Welcome to the 2019-2020 academic year! We hope you had a happy, healthy summer recess and we look forward to seeing you in the weeks and months ahead.

We expect this year to be an exciting and engaging educational journey for our students. We reconfirmed our vision for the future of the District in August when we continued our Strategic Planning process, in sessions with stakeholders from all our constituencies, to review progress toward meeting our strategic objectives. We believe that this annual examination of our collective goals will move us forward as a progressive, student-centered educational community.

As in the past, we are proud of our record of continuously strengthening our outstanding programming. We look forward to increasing academic opportunities wherever possible, insuring engaging educational experiences for our children and providing needed supports so that each student may learn and grow at his or her unique pace. With attention to our many enrichment programs and advanced level programming, we will continue to focus on helping every child be successful. Our talented staff and supportive community work together to accomplish our mission: to educate and inspire all students, while nurturing their dreams.

I wish everyone an exciting, productive and enjoyable school year. I hope you will join hands with us in our mission and commitment to provide an outstanding education for all of our children. My door will be open if you wish to reach out to me. #WPproud

Respectfully,

Joseph L. Ricca, Ed.D.

BOARD OF EDUCATION

The Board is comprised of seven members, elected at large for three-year terms. It is responsible for establishing policies which govern the education of all children attending District schools, and for insuring adherence to state laws and regulations.

The Board encourages communication and invites the public to attend its meetings. Regular meetings are held at 7:30 pm on the second Monday of each month or as designated.

The 2019-20 schedule of Meetings is as follows:

- Monday, September 9 .................................................... Education House
- Monday, October 7 ...................................................... Education House
- Monday, November 4 ................................................... Education House
- Monday, December 9 .................................................. High School
- Monday, January 13 ..................................................... Education House
- Monday, February 10 .................................................... Education House
- Monday, February 24 (7pm Budget) ......................... Education House
- Monday, March 9 ........................................................ Education House
- Monday, March 30 (7pm Budget) .............................. Education House
- Monday, April 20 ........................................................ High School
- Monday, May 11 (Budget Hearing) ......................... Education House
- Wed., May 20 (5:30 pm Canvass) .... Education House
- Wed., May 27 (Teacher Tenure) ......................... Education House
- Monday, June 15 .................................................. High School
- Monday, July 6 (Reorg.) ............................................. Education House

Additional meetings will take place in the community. Dates will be determined during the school year. Please contact the District Clerk, 422-2071, for further information.

BUDGET VOTE/ELECTIONS

On the third Tuesday in May (May 19, 2020) the public votes on the school district budget and the election of Board members. The budget is developed through a lengthy process with various opportunities for community input. The Board will adopt a proposed budget, which will be presented at a public hearing in May.

Candidates for the Board must be qualified voters of the district and have lived in White Plains for one year. Petitions to be signed by at least 100 qualified voters are available from the District Clerk. They must be filed by April 29, 2020.

Residents who are registered to vote in general elections are eligible to vote, or they may register on the District’s Registration Day, May 1, 2020, noon to 5 pm at Mamaroneck Avenue School. To vote in general elections, a resident must register with the Westchester County Board of Elections, 25 Quarraposs Street, any time throughout the year.

Qualifications for voters are: a citizen of the United States, 18 years of age or more, a resident of White Plains for at least 30 days prior to the election. Absentee ballots are available for those who will not be in the district during the voting hours and those who are disabled. Applications are available online and from the District Clerk, 422-2071.
The Church Street School community takes pride in recognizing all students as learners. Our goal is to support students in reaching their potential to become self-motivated, lifelong learners and contributing members of society.

At Church Street School we encourage students to take an active role in their learning. Students learn the importance of being kind, safe and responsible. We build community through various events such as school-wide morning meetings, spirit week and the One Book One School event.

As a school community we work collaboratively to nurture and educate the whole child. We build on our students’ strengths and support their areas of need through small group instruction and programs designed to provide interventions and enrichment. We integrate various hands-on experiences to engage students in their learning. Students have access to a greenhouse that serves as a resource to extend our growing season. Additionally, the garden serves as inspiration for students in art class. We utilize technology through a partnership with the Jacob Burns Film Center to teach students how to communicate their ideas through filmmaking. Students also learn how to decrease their carbon footprint through their participation in the We Future Cycle program. Students sort lunch products to recycle and reduce waste. Our goal is to provide students with a purpose for their learning and make connections to real-life experiences.

Parents are an integral part of our Church Street School family. A strong partnership ensures students’ academic, social, and emotional success at school. Through the support of our PTA, Church Street families participate in activities throughout the school year including: Parents as Reading Partners, Carnival, Family Math Night, Family Reading Night, Family Fitness Night, School Dances, Book Fair, and trips to many interesting and educational destinations.

At Church Street School, we work as a community to help students soar to new heights!

Mrs. Mungin Mr. McCarthy

The George Washington Elementary School is a beautiful three-story building situated on eleven acres of land. The original building, erected in 1927, has undergone two expansions to accommodate a growing population.

Our goal is to provide a solid foundation in literacy, numeracy and democracy for our Patriots. Toward that end, George Washington School offers a nurturing educational environment that supports all students on a journey towards personal excellence. Our students, in grades K through 5, are engaged in meaningful learning opportunities that encourage academic success and personal growth while preparing them to be citizens of our global society.

Our balanced literacy approach—inquiry in Math, discovery in Science and exploration in Social Studies—is aligned with the NYS Learning Standards. Technology is embedded throughout the curriculum to further enhance and support student learning. Our Dual Language Program, available in all grades, provides an opportunity for students enrolled to become bi-literate and bi-cultural by the end of grade five. Our Media Center provides a stimulating environment for students, teachers and parents to immerse themselves in rich literature and research.

At George Washington we believe that parent partnerships are an essential piece of the success of a student’s educational journey. We are fortunate to have an active PTA full of parent volunteers who are involved with enriching the educational experiences of all our students. The GWPTA coordinates community events such as International Children’s Festival, the Talent Show & Family Game Night. They also fundraise throughout the year in order to provide opportunities & experiences for all grade levels which would otherwise not be available such as Author Visits, Field Trips and Assemblies. We welcome and encourage our families to partner with us on our students’ educational journey towards excellence.

MAS promotes the growth of the whole child with an emphasis on Responsive Classroom. We believe strongly in creating meaningful and collaborative relationships with our students and their families.

MAS students and staff are part of the We Future Cycle schoolwide recycling program. Students are taught how to sort objects in order to recycle.

Our students are enriched through many different activities such as Ballroom Dancing, Parents as Reading Partners (PARP), American Education Week, International Dinner and Student Art Show, Health Fair, Science Fair, musical performances, assemblies and class trips, including a partnership with the Jacob Burns Film Center.

MAS is located on Nosband Avenue within a tree-lined residential neighborhood. We feel quite fortunate to have the benefits of being close to the vibrant downtown area of White Plains, which has provided our students with many walking trips and learning opportunities.

At Post Road School, students, staff and parents are proud members of an active learning community. Guided by the New York State Next Generation Learning Standards and supported by ongoing professional development, we view ourselves as lifelong learners and engage our children in experiences that generate enthusiasm, foster decision making, develop leadership skills, and provide active participation in all aspects of learning through inquiry and hands-on experience. We proudly offer a Dual Language Program, which lays the foundation for students to exit 5th grade as bilingual, biliterate and bicultural.

Our spacious “green” school features geothermal heating and cooling systems and extensive use of daylighting. A state-of-the-art theater and media center are integral in supporting our academic program. At Post Road School we are excited about using technology to support and enhance the curriculum. We are proud to have several Learner Active Technology Infused Classrooms. In addition, interactive whiteboards, document cameras, laptop and iPad carts are available to all classrooms and children receive computer instruction in our state-of-the-art computer lab.

Our PTA is an active, vibrant organization that welcomes new members. Through its outstanding efforts, grants are awarded to teachers to help extend the curriculum in meaningful ways. Our PTA also sponsors a variety of educational experiences, cultural events, assemblies and school trips.

Post Road School is a caring, nurturing and respectful child-centered learning environment. We encourage character development through the Responsive Classroom approach to developing a sense of community in each class and throughout the school. We invite you to visit Post Road School. It is a joyful and exciting place to learn.

Ridgeway Elementary School nurtures children’s intellectual, moral and ethical development by building a caring community guided by the principles and practices of Responsive Classroom.

We understand and support the role of students as active participants in their own learning. We foster literacy development within the balanced literacy approach and we offer an inquiry-based, hands-on experience in mathematics, science and social studies. We encourage children to develop as critical and creative thinkers in the arts classrooms where they learn to perform and read music on their own and in ensemble. Students grow as unique individuals as they synthesize abstract ideas into original visual art creations. We motivate children to use their bodies in movement as they develop their kinesthetic understanding of the world through athletic and nutritional education. We utilize a variety of resources such as iPads, laptops, interactive white boards, document cameras, and desktops as we teach students to become critical thinkers and inclusive citizens of our world.

We believe in educating the whole child. In addition to art, music and physical education, our students are enriched by numerous activities. Ridgeway’s active faculty and parents support various community events, such as American Education Week, College and Career Day, Dr. Seuss Day, Author & Illustrator Week, Global Dinner, Cultural Celebration Day, Grandparents Day, Wellness Week, Weekly Salad Bar, musical performances, assemblies, and class trips. We fully embrace parents as partners in their child’s education and rely on parent engagement and partnership.

Located in a spacious, one story facility at the corner of Ridgeway and Mamaroneck Avenue, the school has two playgrounds—one newly-built with sensory play items and nature trails adjacent to its playing fields.

“One School ... Two Campuses”

White Plains Middle School serves students on two campuses. The Eastview Campus is our Grade 6 Academy and the Highlands Campus is home to our 7th and 8th grade students. Both Eastview and Highlands are organized using interdisciplinary teams at each grade level. As a basis for social-emotional development and learning, teams provide a nurturing, supportive environment to meet the needs of each student.

Eastview’s schedule runs on A-F letter days. Highlands runs on an alternating day schedule with days labeled “M” or “S”. Each school day is composed of nine, forty-two minute periods.

The AVID program is available at both campuses. Regents level mathematics courses are available to qualified students in grades 7 and 8 and all grade 8 students take Regents Earth Science. A wide variety of extracurricular activities is available at both campuses.

White Plains High School, located on a beautiful 75-acre campus, offers over 300 courses to ninth through twelfth graders. The District takes great pride in the school’s rich diversity, unique breadth of educational opportunity, impressive facilities, and highly qualified staff. The school is committed to providing a challenging academic program and an enriching co-curricular program for all of its students. A $28 million expansion and renovation project was completed several years ago and includes new science labs, media center, cafeteria, and atrium.

From Advanced Placement courses in all major subjects to participation in the Advanced College Experience (ACE) Program at Westchester Community College, the quality of the school’s programs is reflected each year in the honors and awards achieved by individual students, teams and groups. Extracurricular programs include 67 clubs, literary publications and performing arts groups, in addition to 73 athletic teams.

The essence of White Plains High School is embodied in the District’s mission statement: “to educate and inspire all students, while nurturing their dreams, so they learn continually, think critically, pursue their aspirations and contribute to a diverse and dynamic world.”

First Day of Daylight Savings Time
Set clocks ahead one hour

*Church Street School dismisses at 11:30 am.*
Rochambeau founded in 1971, offers an academic alternative to White Plains High School students. This school affords ninth through twelfth graders an individualized approach to an array of academics, including college preparatory courses.

Each year, the Rochambeau Alternative High School’s nurturing and supportive approach helps guide more than 150 young people who might otherwise have been “lost” in a traditional school setting. Often students who are overwhelmed or overlooked in a larger setting flourish in this smaller, more personal atmosphere. At Rochambeau, the accent is always on a community atmosphere where the entire staff works together to promote the success of each child.

Students may expand their educational opportunities by taking courses at White Plains High School as well as take part in High School extracurricular activities and athletic teams. We are also fortunate to have a division of the White Plains Youth Bureau housed in our building, providing additional support in the areas of employment, the college process and character education.

In addition, we have various programs that serve under our organizational unit of Alternative Programs. Homebound Instruction provides an educational program for students who are not able to attend their regular school. The Community School, Passages, and TASC Programs are designed to meet each student’s academic, social, and/or emotional needs.

Our mission is to provide a dynamic educational environment which
• reflects and respects individual differences and cultural diversity
• challenges all students to achieve a high level of academic success
• nurtures talent
• creates opportunities for the development of responsible and productive citizens

Rochambeau ROCKS!

PTA Council is the coordinating body and forum for the White Plains Public School PTAs. Its members are the Council officers, committee chairpersons, PTA presidents and council delegates from each school. The Council meets once a month to exchange ideas and concerns with one another, with the Superintendent of Schools and with members of the administration, Board of Education and staff, and to discuss and act on districtwide issues. The schedule for these open meetings is listed in this calendar.

ATTENDANCE

In the elementary and middle schools, a written excuse signed by the parent is required following any absence or tardiness. Written excuses also are necessary for dismissal of a child before regular closing time. Excused and unexcused absences are defined in a policy that is distributed to all parents at the start of the school year.

Parents are required to telephone the school if a child will be absent. Check with the school for the appropriate number to call.

The school office must be notified if anyone other than a parent or guardian is to pick up a child for either early or regular dismissal.

At White Plains High School, following an absence, the student should bring a note or letter signed by a parent or guardian. The note or letter must include the student’s name, the date(s) of absence, reason for the absence, and the parent’s/guardian’s signature. High School students whose absences are excused are responsible to make up work missed.

Secondary school parents and students will be informed about specific attendance policies that pertain to their schools.

A summary of the Attendance Policy is enclosed in the calendar mailing.

CODE OF CONDUCT

In keeping with requirements of the Project S.A.V.E. legislation (Safe Schools Against Violence in Education Act) enacted by the State, the Board of Education adopted a Code of Conduct in June of 2001. The code was developed around the belief that a dynamic educational environment is one that creates opportunities for the development of responsible and productive citizens, where everyone is treated with respect and dignity, and where decisions are based solely on what works best for students.

The District has a long history of high expectations for acceptable behavior and this comprehensive document incorporates and expands upon many of the policies and programs that have been in use in the district for some time. It was designed around five core principles that govern its implementation:

• A safe and orderly school environment is essential to learning.
• Students, staff and visitors will be held responsible for their own actions.
• Home/school partnerships are critical to success.
• School rules and their enforcement should be fair, just and non-discriminatory.
• Respect must be given for each person’s unique needs.

The document has been updated to insure compliance with the Dignity for All Students Act and includes Rights and Responsibilities, Dress Code, Student Conduct, Reporting of Violations, Student Disciplinary Penalties, Procedures and Referrals, Discipline of Students with Disabilities, Corporal Punishment, Student Searches and Interrogations, and Public Conduct on School Property.

Excerpts of the Code are enclosed in the calendar mailing and a copy of the full Code is available on the District website or from the office of the Assistant Superintendent for Special Education and Pupil Services, 422-2034.

FOOD AND NUTRITION SERVICES

The Food and Nutrition Program provides nutritious breakfasts and lunches that include an assorted variety of fresh, quality foods that allow students to eat healthy and make sensible food choices. Monthly menus that include nutritional tips and ideas are sent home with elementary students and they are nutritionally analyzed by the School Nurse to assist with meal planning. Lunch selections include a choice of at least three entrees, main dish salads, fresh fruits and vegetables, juice and milk. Healthy snack choices such as pretzels, popcorn, baked chips, trail mixes, yogurt, and bagels are also available daily. The student breakfast price is $1.50 and lunch is $3.00 at all schools.

Applications for free and reduced meals are available in school offices as well as sent home with the yearly calendar mailing in August and must be completed yearly. The previous year’s free and reduced status can be used until October 15th, but parents are urged to submit applications as soon as possible to avoid interruption of benefits.

A computerized POS system is used to record all prepaid meal and snack purchases. Students will use their student ID numbers to access their accounts in the cafeteria. The advantages of the POS system are elimination of the need for students to bring cash daily and to aid in the problems of long lines in the cafeteria. Charging of food is not permitted. Payments for meals can be made by sending a check to the school cafeteria or by using myschoolbucks.com to pay by credit card. For menus and program info please visit the district’s website at www.whiteplainspublicschools.org

FRIENDS OF WHITE PLAINS PUBLIC SCHOOLS

The Friends of White Plains Public Schools, now in its 32nd year, is dedicated to supporting the White Plains Public Schools by funding academic and cultural enrichment programs and projects not included in the District’s budget and by encouraging greater involvement in and support for the schools by parents, the community and alumni.

The Friends have donated more than $390,000 to educational programs and activities that have enriched the educational experiences of thousands of students in all District schools. In the 2018-2019 school year the Friends made a record 17 grants, funding Ballroom Dancing in all elementary schools and enrichment programs on creative writing, the environment, music, science and personal growth.

The Friends welcomes grant requests from administrators, subject area coordinators, teachers, and staff. The Friends, a 501(c)3 nonprofit organization run entirely by volunteers, relies on contributions from parents, residents of White Plains, local businesses, and foundations. Volunteers are welcome. For more information and to donate, visit www.FriendsofWPPS.org or call 860-4945.

HEALTH

New York State mandates and Board of Education policies regarding immunizations must be met prior to a child being admitted to school. More specific information may be found in the Family Information Center, 422-2038, or the Office of Medical and Health Services, 422-2011.

State Education Law requires a physical examination prior to participation in interscholastic sports. This exam may be performed by the student’s own physician or by a school physician. Private physician exams must be submitted on the state-approved forms. These exams are valid for 12 consecutive months. Highlands and White Plains High School students who wish to play interscholastic sports must register on Family ID and submit required documentation through the program. Instructions may be found on the Athletic and Health Services websites. https://www.familyside.com/pages/home

A blank Physical Examination form and an Administration of Medication form will be included in a summer mailing to parents/guardians or they may be obtained from the Office of Medical and Health Services, Family Information Center or the School Nurse. All school district health-related forms are available and may be printed from the district website, www.whiteplainspublicschools.org.

Student health information is confidential and will not be shared with others unless it is necessary for the health and safety of the child.

HUMAN RESOURCES

The Human Resources Department has responsibility for all issues related to the personnel area involving teachers, administrators, managers, substitutes, and Civil Service staff members. All aspects of recruitment, hiring, fingerprinting, and health benefits are coordinated by the department. The recruiting and interviewing process is open and inclusive, and every effort is made to involve staff and parents on interviewing committees for administrative and teaching positions.

In addition, the department coordinates employment decisions regarding tenure and permanent status for staff members. Stringent tenure standards are maintained, with the goal of awarding tenure to teachers who have demonstrated a superior level of knowledge, skills and professional commitment.

The District also sponsors various programs for professional growth and development and supports the Staff Development Center located at Dammann House. Information about employment opportunities within the White Plains City School District may be found on the Human Resources portion of the District’s website.

NONDISCRIMINATION POLICIES

In compliance with federal and NY state requirements, the Board of Education of the White Plains City School District and its officers and employees shall not discriminate against any student, employee or applicant on the basis of age, race, creed, color, national origin, sexual orientation, military status, sex, disability, religion, or marital status.

Any individual who believes that his or her employment rights have been violated may file a charge of discrimination with the United States Equal Employment Opportunity Commission. Any student who believes that his or her educational opportunities have been violated may file a charge of discrimination with the New York State Department of Education’s Bureau for Students with Disabilities.

PUPIL SERVICES

Pupil Services are specialized social, emotional, medical, educational and related services, which help a child have a successful and rewarding school experience. Professional assistance and support are provided to students, their families and staff in the following areas: guidance and counseling, health services, special education services, and homebound instruction.

REGISTRATION

All new entrants register at the Family Information Center located at 500 North Street.

Kindergarten students for 2019-2020 must be five years old on or before December 31, 2019. Children eligible for kindergarten in September 2019, must register at the Family Information Center, in accordance with the procedures established as part of the Controlled enrollment Program.

Please call 422-2038 (Monday-Friday, 8am-4pm) for information regarding requirements necessary for registration and for an appointment to register.

REPORT CARDS/PARENT CONFERENCES

Report cards are issued three times a year for all students from kindergarten through fifth grade and four times a year for Middle School through High School. Elementary report cards are sent home with students. Middle and High School report cards are mailed home and posted in the online Parent/Guardian Portal. Parent/Teacher conferences are scheduled twice during the year, both in the afternoon and evening, for students at the elementary level. In addition, parents may request a conference as needed at any level.

RESIDENCE

According to State Education Law, a child’s legal school district residence generally is considered to be the legal residence of the parent, unless there is evidence that the parent has relinquished parental control.

Questions of residence for children who do not reside with their parents, and who have not been placed in a foster home by a recognized social service agency, should be referred to the Family Information Center. The school district is rigorous in its pursuit of nonresident students and will seek tuition reimbursement from families who illegally send their children to schools in White Plains.

SCHOOL INFORMATION

Families are encouraged to sign up to receive email and phone messages from the district and the schools. K12 Alerts is our automated telephone call system used to send out announcement and attendance calls (Grades K-12). The service allows you to specify which students and corresponding accounts to your email/cell phones as a text message and for you to update your phone numbers and emergency contacts.

Through the Parent/Guardian Portal in Infinite Campus, parents have access to the following information about their children: Attendance, Student Schedule, Immunizations, State Exams, Grades, Progress Reports, and Report Cards (Grades 6-12 only).

Access information, directions and help for both K12 Alerts and Parent Portal can be found on the district website, www.whiteplainspublicschools.org/k12portal/

</table>
SCHOOL RESOURCE OFFICERS

The White Plains Public School District utilizes the nationally-accepted, proactive program of School Resource Officers in our schools. In this program, White Plains police officers work in our schools to help deal with the pressures facing today’s youth.

There are two School Resource Officers, in cooperation with the City, and funded by the School District. One is located at the High School and Rochambeau School and the other is shared by the two campuses of the Middle School and other schools as needed.

The SROs are involved in a variety of functions geared toward prevention of problems and can answer questions from students, parents and staff. The officers have positive relationships with students and staff and often informally counsel our students. They serve to maintain a safe school climate and to foster cooperative relationships between the schools and the police. The SROs are also resources for parents, faculty and the administration.

SPECIAL EDUCATION

Special education services are provided to students who are residents or students who attend private schools within the White Plains Public School District boundaries.* and have been identified as having a disability by either the Committee on Preschool Special Education (CPSE) or the Committee on Special Education (CSE). The CPSE serves students three and four years of age and the CSE serves students who are kindergarten-eligible through high school graduation or twenty-one years of age, whichever comes first. A referral for initial evaluation may be made at any time for students suspected of having an educational disability.

A referral for initial evaluation must be made for any student who is 18 years of age or older. Once a student is identified as having a disability by either the Committee on Individual Education Program (IEP) is developed and reviewed at least annually by the CPSE or the CSE. Re-evaluations are conducted on at least a three-year basis.

The District is committed to providing educational services to students who are classified in the least restrictive environment and offers a full continuum of special education programs and services which include, but are not limited to, the following: speech/language, occupational or physical therapy, counseling services, resource room, consultant teacher, integrated co-teaching special classes in and out of district, and home instruction.

Students classified by the CSE are provided equal opportunities to participate in all instructional services and extracurricular activities, sponsored by the school district.

Concerns about a child’s possible need for special education supports or services should first be discussed with the child’s teachers and/or other professional staff members in the child’s school. For further information about the CPSE or the CSE, or if you have questions, call 422-2435; for the CSE process, please call 422-2037.

The Special Needs Committee of the PTA provides additional opportunities for parental support and information.

* Under Title II, 328 of the Uniform Code of School Credit, students who attend private schools within the White Plains City School District are responsible, upon request, for individual evaluations, conducting the Committee on Special Education (CSE) meetings, developing individualized Education Services Programs (IEP’s) and providing special education services to students with disabilities who are parentally placed in non-public schools within our district boundaries.

The Board of Education of the White Plains City School District does not discriminate in the educational programs and activities which it operates as per the requirements of the Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973. If you are aware of a child who might have a disability that may require special education services or accommodations in order to access our educational and/or extracurricular programs contact Deborah Augusten, Assistant Superintendent for Special Education & Pupil Services, 422-2034, deborahaugarten@wpced.k12.ny.us.

STUDENT ASSIGNMENT

The assignment of incoming kindergartners through fifth graders is governed by the rules of the Controlled Parents’ Choice Program, an assignment procedure established in 1988 by the Board of Education. An Assignment Manual, available at the Family Information Center, describes the details of the program. Parents of children currently in the school district may request the school to which they are assigned to change for the following school year. The procedures and rules are also described in the Manual.

Staff at the Family Information Center, 422-2038, are happy to answer any questions about the District’s placement policy.

STUDENT RECORDS AND PHOTOS

Under the Family Education Rights and Privacy Act of 1974, parents or guardians of a student under 18 may inspect their children’s school records, including material that is incorporated into each student’s cumulative record folder. The law grants a similar right to students 18 or older to inspect their own records. Applications to inspect or review records must be made in writing to the building principal.

The law also enables parents to seek amendment of student education records that they believe to be inaccurate, misleading or otherwise in violation of the student’s privacy rights. If the district decides not to amend the record as requested, the parent or adult student will be notified of the decision and advised of the hearing procedure to challenge the contents of a child’s school records.

The Act provides parents with the right to consent to disclosures of personally identifiable information contained in the students’ education records. Exceptions permitting disclosure of personally identifiable information about the student to school officials, including, but not limited to, the following: applicants for federal financial aid; school authorities who have a legitimate educational need to access such records; other school officials with prior written consent of the parent or student, unless a parent or student has explicitly requested that such records not be disclosed; and other parties as specified by the school district.

SUPPORT & ENRICHMENT PROGRAMS

The District offers a wide variety of special programs and services to supplement or enrich the regular curriculum. Among these are programs such as Artists-in-Residence, English to Speakers of Other Languages, Learning Strategies Program, and Dual Language.

We offer enrichment options in English Language Arts and Math and Virtual Reasoning at both the elementary and secondary levels as well as Project Lead the Way to all elementary students and as elective courses at the secondary level. We also offer more than 18 different Advanced Placement (AP) courses and Dual Enrollment courses at the high school level that allow students to earn college credit.

We collaborate extensively with nearby universities and corporations and make the District’s Cablevision Channel 77 and Fios Channel 46 available for school-related use.

For further information on any of the above, please check the “For Easy Reference” guide on the inside back cover of this calendar.

TESTING

Students in grades 3 through 8 take the New York State English Language Arts (ELA) test and the New York State Math test in May. These tests assess the New York State Common Core Learning Standards and include multiple choice and short answer questions and extended responses.

At the elementary level, there is also a State exam in Science in grade 4. At the middle school level, there is a Science exam in grade 8. English as a Second Language (ESL) students in Grades K-12 also take the New York State English as a Second Language Achievement Test (NYSESLAT) in April and May.

All high school students are required to take Regents-level exams. Information about high school testing can be found in the White Plains High School Course Booklet.
AUGUST 2020
Guidance Offices in September. Students may also take the March, May or June SAT REASONING examination. Registration and payment of fees are due on the test date, but there will be separate rooms for the tests when both are offered.

It is recommended that Seniors take the October, November, December or January SAT REASONING TEST. It is recommended that Juniors take the March, May or June SAT REASONING TEST. Please consult the Guidance Department’s website for specific information regarding the most appropriate timetable for taking these college-level tests and for information on standardized testing. Registration materials are available in the Guidance Offices in September. Students may also register on-line at www.collegeboard.org

Other Important Test Dates

Oct. 16, 2019

Preliminary Scholastic Assessment Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT)

This test will be offered at White Plains High School. The White Plains School District will sponsor this examination for sophomores and juniors.

May 4-15, 2020

Advanced Placement (AP) Examinations

PLEASE NOTE: All students enrolled in an AP class must take the ADVANCED PLACEMENT examination. Registration and payment of fees take place at WPHS during the month of March.

IMPORTANT NOTE: It is the student’s responsibility to register or apply on time for tests. Counselors are available to answer questions.

**TRANSPORTATION**

The Board of Education transports public school children in grades K-5 who live more than a half mile from their schools and children in grades 6-12 who live more than one mile from their schools. Pursuant to State law, the District provides similar transportation for children who attend non-public schools within the city. Children with disabilities in grades K-12 are transported by the District as mandated by the state.

Parents of private or parochial school pupils who desire transportation for their children must file an application for each student by April 1 for service to begin the subsequent school year, or in the case of new students, within 30 days of moving to White Plains. Applications, available at the schools and at the District’s Transportation Office, must be submitted every year that transportation is requested.

Written requests for transportation to or from a child care location must be submitted by the parent or legal guardian not later that April 1 each school year.

To provide for the safety and welfare of students, District buses are equipped with video cameras. New buses are designed to make handrails safer. Older models have been retrofitted to increase safety. Clothing and backpacks without or with short drawstrings are safer. Parents are encouraged to support the safety practices and procedures as well as the use of seat belts. A Transportation Handbook is available on the District’s website.

Questions regarding transportation should be directed to the Transportation Office, 422-2110.

**VISITORS**

Parents of students in the public schools are cordially invited and encouraged to visit their child’s school not only during American Education Week and the scheduled parent/teacher conference days, but also at other times during the school year. Parents who wish to meet with their child’s teacher/principal should either call the teacher/ principal or send a note requesting a meeting. When requesting the appointment, parents should indicate when they are available to come into the school.

To ensure the safety of our students, all visitors must report to the school office upon entering a building and present photo identification in order to receive a visitor’s pass.

**VOLUNTEERS AND COMMUNITY SERVICE**

Students are encouraged to volunteer through a Community Service Program at White Plains High School in which they receive recognition and Community Service credit on their transcripts for 60 or more hours of service. Assistance is provided to secure placement in local agencies and organizations.

Adult volunteers are welcome in the White Plains Schools. For further information, call 422-2013.

**WEATHER EMERGENCIES**

Families will be notified of school closings or delayed openings in bad weather via K12 Alerts. Tune in to radio station WPAS (1230 AM, 103.9 FM), the District’s cable TV stations - Cablevision Channel 77 or Fios Channel 46, or the District’s website, www.whiteplainspublicschools.org. Please do not call the schools or the Board of Education. For delayed openings, buses (including those for private schools and special education) will operate one or more hours later than the usual schedule, as announced.

Bulletins will be broadcast on radio stations WCBS (880 AM) and WINS (1010 AM), television stations WNYW (Channel 5), News 12 (Channel 12), WNBC-TV (Channel 4), WABC-TV (Channel 7), WCBS-TV (Channel 2) and WRNN (channel varies with location) will carry announcements as well.

Parents who are not home during the day should make provisions for their children to go to the home of a friend or neighbor if bad weather requires an early closing. An alternate emergency phone number should be given to the child, filed with the school and updated with K12 Alerts when there are any changes.

When District schools are closed due to bad weather, no transportation will be provided for BOCES, private/parochial or special education schools normally serviced by the school district.

When private or special education schools announce a delayed opening that is in conflict with the District’s schedule, the District will do its best to accommodate the delay, but cannot guarantee that buses will run at the time announced by the specific school.

If schools are closed more than three days due to weather, schools will be open in the following order: April 6th, April 7th, and April 8th.

If no snow days are used, schools will be closed on May 21st, May 22nd and May 26th.

If one snow day is used, schools will be closed on May 21st and May 22nd.

If two snow days are used, schools will be closed on May 22nd.
WORKING PAPERS
Working papers are required for the employment of any boy or girl from the age of 14 to 18. Middle School students may obtain an application form from the school nurse; High School students, from the Main Office; Rochambeau School students, from the school office. Working papers are processed and issued from these offices.

To secure working papers, the applicant needs the signature of a parent/guardian on the application form, proof of age and a physical fitness certificate (not more than one year old) from a private or school physician.

Applications and permits also may be obtained at the Family Information Center located at 500 North Street, adjacent to the high school. Call 422-2038 for further information.

YOUTH BUREAU PROGRAMS
The White Plains Youth Bureau of the City of White Plains provides a range of youth development services for White Plains youth throughout the year. Afterschool Centers are run at all elementary schools and at Eastview and Highlands Middle Schools. They provide homework help, recreational activities and a variety of special programs including Music, Art, and Science Technology Engineering Art and Math (STEAM). The Centers are in session from school dismissal until 6 pm.

The Youth Bureau’s Youth Employment Services provide White Plains youth between the ages of 14 and 24 with referrals for full and part-time employment throughout the year, career exploration programs and job readiness training. A Y.E.S. staff member is available at White Plains High School in the N Cafeteria, Monday through Friday, 9 am-12:30 pm.

The Youth Bureau, in collaboration with Let’s Get Ready and Berkeley College, offers free SAT preparation and post-enrollment mentoring to students from low-income circumstances to help them get into and graduate from college. The program operates out of Berkeley College in White Plains, in July and August, 6-9 p.m. During the summer, the Youth Bureau operates a six-week Bits ‘N Pieces Tutorial Camp for children in kindergarten through fifth grade at Church Street School. Additionally, a six-week middle school STEM Camp is also offered.

For further information, visit the Youth Bureau web page, whiteplainsyouthbureau.org or call 422-1378.

ACADEMIC SUPPORT SERVICES PROVIDED BY THE WHITE PLAINS PUBLIC LIBRARY

White Plains Public Library
100 Martine Avenue
White Plains, NY 10601
914-422-1400
http://whiteplainslibrary.org

Library Hours
\[ \text{check the Library’s website for hours during vacations and holidays} \]
Monday-Thursday 10am-9pm (Edge 2-9pm)
Friday 10am-6pm (Edge 2-4pm)
Saturday 10am-5pm (Edge 10am-5pm)
Sunday 1-5pm (Edge 1-5pm)

The Trove
The Trove is the place for children and families through Grade 6 to find books, movies, and other materials, as well as fun and educational programs and activities, including a wide variety of STEAM-related programs on topics such as coding, robotics, video game design, animation and arts and crafts. More information at http://whiteplainslibrary.org/trove.

The Edge
The Edge is the Library’s welcoming and inclusive space for Grades 7-12 where teens are able to be themselves. It is a place to hang out, read, play games, take part in activities, do homework and explore. The Edge PC’s and iMacs for internet access and homework, as well as a technology-rich Media Lab. Whether it is exploring emerging tech, sewing and crafts, or playing a game, there is an event nearly every day, along with opportunities for teens to volunteer and make a difference through The Do Gooders community-service club. More information at http://whiteplainslibrary.org/edge.

Homework Help and Tutoring
FREE, live, one-on-one tutoring from Tutor.com is available every day from 2-11 pm for Grades K-12 through the Library’s website at http://whiteplainslibrary.org/tutor-com-info. Through this service, students may also access study guides and other helpful materials for free. 24/7. Students in Grades 1-6 may receive homework assistance in the Trove after school through the Teacher in the Library program. Both the Trove and Edge offer many print and online resources to help with homework assignments, provide access to computers, Microsoft Access, and other software; and have staff who can assist students with research and assignments.

Books and Reading
The Library is committed to supporting reading and the reading skills of White Plains youth. The Trove offers numerous early literacy programs and reading-centric programs, and has a vast collection of wonderful books and audio books and audiobooks to borrow. If you’re looking for a good book, the new Recommended Titles by Grade Level collection is a great place to start. The Edge’s young adult collection features high-interest books for teens, from the hottest fiction titles to graphic novels. The Library provides access to an abundance of ebooks and eAudiobooks for children and teens, which can be accessed via the Libby and Sora apps with your White Plains Public Library library card. More information about e-materials at: https://whiteplainslibrary.org/ebooks.

INDEX

Academic Support Services Provided By The White Plains Public Library

STATE TAX CODE NUMBER
New York State Resident Income Tax forms IT 200 and IT 201 require you to enter the name and code number of the public school district where you resided as of December 31st of the tax year. State distribution of financial aid is based on this data, as reported by taxpayers.

The White Plains City School District Code Number is 699.
The following is a listing of districtwide administrators. You may call these people directly by using the 422 exchange and the extension listed next to their names. School administrators and their phone numbers are listed on the individual building pages.
