Re: COVID -19 - Availability of Breakfast and Lunch Meals for Distribution to students

Dear Parents and Guardians:

In accordance with the New York State Governor's Executive Order 202.2, District closing due to COVID-19 "shall ensure access to meals for students in need." Therefore, White Plains City School District will be distributing breakfast and lunch meals to its students starting **Monday, March 23, 2020** at the following locations and times:

- ~~White Plains High School Field House parking lot~~ between the hours of 10 am and 1 pm
Starting tomorrow, March 24, 2020 distribution of breakfast and lunch to District students at WPHS will take place at the Athletic Circle. Enter through the main entrance and drive straight back towards the gym.
- Church Street parking lot between the hours of 10 am and 1 pm
- Rochambeau High School Lower parking lot between the hours of 10 am and 1 pm
- Post Road School parking lot between the hours of 10 am and 1 pm

What food is being distributed and who may access this food?

- Meals will consist of "grab-and-go", which includes pre-packaged food and/or sandwiches.
- Breakfast and lunch can be picked up at the same time.
- Food is being made available to students who are out of school as a result of the Coronavirus Covid-19 crisis.
- Meals are available to students in a household where at least one child attends the closed school.
- Childcare centers that the District currently provides to will continue to be eligible for meals provided by the closed school.
- Students or Parents must show ID that their children are enrolled in the White Plains City School District and the building they attend.

Our intent is to serve all students in need based on the availability of meals.

We will continue to update you as we move through this crisis.

Sincerely,

Ann Vaccaro-Teich
