Title: Title I Parental Involvement - School Level Approach

Code: 1900-E

Status: Active

Last Revised: January 14, 2019

The [insert name of school] recognizes that parents play an integral role in assisting their child's learning. We encourage parents to be actively involved in their child's education at school and to become full partners in school educational planning and operations.

Consistent with the parent involvement goals of Title I, Part A of the federal No Child Left Behind Act of 2001 (NCLB):

1. The Building Principal and appropriate staff shall convene an annual meeting, at a convenient time, to inform parents of the school's participation in Title I programs, and to explain Title I requirements and the right of the parents to be involved. All parents of children participating in a Title I program will be invited to the meeting.
2. The school staff shall offer a flexible number of meetings to provide parents the opportunity to meet with school staff and otherwise participate in their child's education. These meetings shall be held at flexible times (e.g., morning or evening) and/or in highly accessible places such as public housing projects, etc.
3. The school will provide parents with timely information about Title I programs. School staff will also describe and explain the curriculum in use at the school, the types of academic assessment that will be used to measure student progress and the proficiency levels the students are expected to meet. Parents may also request regular meetings with school staff to make suggestions and to participate, as appropriate in decisions relating to the education of their child. The school will respond to any such suggestions as soon as practical.
4. The school staff shall involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of Title I programs, including the planning, review, and improvement of the school's parent involvement policy.

NOTE: Title I schools are also required to involve parents in the planning, review and improvement of the schoolwide program. But a school that already has in place a process for involving parents in the joint planning and design of the school's programs may use that process if it includes an adequate representation of parents of children participating in Title I programs. In addition, when the schoolwide plan is not satisfactory to the parents of participating children, the school must provide an opportunity to submit any parent comments on the plan.

Student Academic Achievement School-Parent Compact

NOTE: In order to comply with the law, districts must create a school-parent compact that is jointly developed with the parents of all participating children. In general, the compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and

parents will build and develop a partnership to help children achieve the state's high standards.

The compact presented below is a sample only.

School-Parent Compact

To help our children achieve, we agree to abide by the following conditions during the [insert school year] school year:

School Responsibilities

The school will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment;
