

Vision:

We aspire to unlock the infinite and unique potential of each student, every day.

Mission:

Educate and inspire all students, while nurturing their dreams, so they learn continually, think critically, pursue their aspirations and contribute to a diverse and dynamic world.

Core beliefs:

We believe that:

- All people have intrinsic value.
- Celebrating and embracing diversity enrich life.
- All people can learn, grow and contribute.
- Every choice matters, and that people are responsible for their choices.
- Respect, honesty and trust empower.
- When people serve the community, both the individuals and the community benefit.
- High expectations promote high achievement.

Immediate priorities: apply significant focus, resource and attention

- Provide access to a deliberately designed, rigorous, enriched curriculum that challenges and meets the needs of each student.
- Reduce the number of chronically absent students.
- Welcome, engage and nurture relationships with our families and community.

Core strategies: continue to improve performance

- Increase access to holistic wellness supports for all students so that they are ready to learn.
- Recruit, hire and retain a diverse and talented staff.
- Finalize, approve and implement the master facility plan and multi-year capital project.
- Forge and sustain critical partnerships to increase opportunities available for students.
- Publicly celebrate and highlight student and district successes.

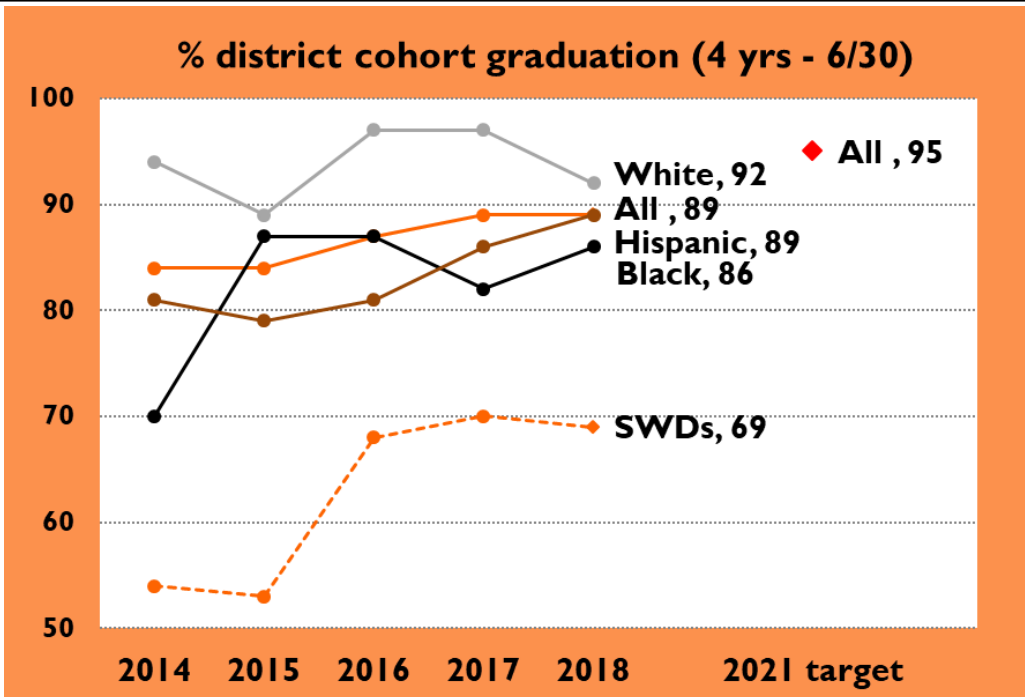

*District Professional development will support our priorities and strategies.

White Plains City School District Strategic Targets
