

Zoom Instructions for Students

Using Zoom

All students must login to Zoom with their school Zoom account from now on. Your school Zoom account is your school email address – your login_ID@live.wpcsd.k12.ny.us.

All school Zoom accounts must be activated before you can login. See **How to Activate Your School Zoom Account** below.

If you're not sure if your account has been activated, you can find out by trying to login. See **How to Login to Zoom** below. If you successfully sign in that means your account has been activated and you can use it to attend classes (meetings).

Notes:

- If you get a message saying the link expired, that message can be ignored. Your school Zoom account has probably been activated. You can find out by trying to login to Zoom per the instructions below.
- If you see the word "Guest" next to your name, it means you are not logged in with a school account that has been activated.
