White Plains Schools

VM Horizon Remote Access

The URL (server name) is: <https://wpcsdvdi.lhric.org>
and/or you can use the VM Horizon app for iOS or Android.

Username: Full Email Address

Password: same as for the school computer network

The screenshot shows a web browser window with the URL wpcsdvdi.lhric.org/portal/. The page features the VMware Horizon logo and the following text: "You can connect to your desktop and applications by using the VMware Horizon Client or through the browser. The VMware Horizon Client offers better performance and features." Below this, there are two main options: "Install VMware Horizon Client" (with a download icon) and "VMware Horizon HTML Access" (with a browser icon). At the bottom, there are two links: "To see the full list of VMware Horizon Clients, click here." and "For help with VMware Horizon, click here." The VMware logo is visible at the bottom of the page.

Click here to download and install the VMWare Horizon software for Windows or Mac.

Click here for the web browser version. Works on any device. Nothing to install.

Click here for the links to the iOS and Android apps.

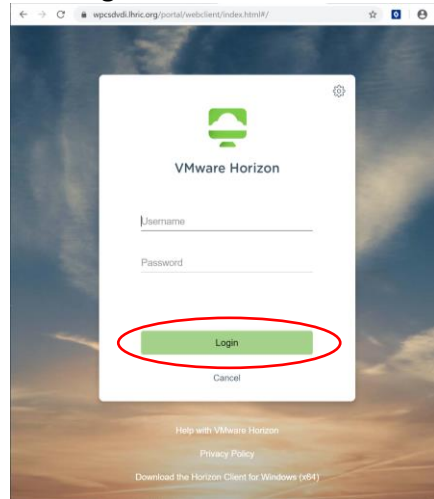

HTML Web Version

<https://wpcsdvdi.lhric.org>
