Photo Exclusion Form

August 2021

Dear Parents,

We are very pleased that our school and staff web pages on the district's website are being used more widely as a means to communicate with parents and with the greater White Plains community. We would like to increase the use of these web pages to feature our students participating in a variety of activities designed to enhance their education and to highlight and celebrate their achievements and exemplary work.

Publishing to the web is a serious responsibility, especially as it relates to the posting of student photos on our web pages. The school district has made a decision that photos of students in grades PreKindergarten–eighth grade posted to the web will not show students' names. In certain circumstances, high school students' photos may have the students' names linked to them.

If you do not wish to have your child's photo posted on the web, please mark the first option below. If you are the parent of a high school student and are comfortable with the student's photo posted on the web but do not want her/his name linked to the photo, please mark the second option below.

In addition, photographs are taken and videotapes are made throughout the school year in classes and other activities. These may become public or used in district publications, such as the districtwide calendar. If you would like your child's photo to be excluded, please check the third option below.

We thank you for taking the time to make a thoughtful decision regarding the publication of your child's photo. If you have any questions about this, please feel free to talk to your child's teacher.

FORMS MUST BE RETURNED TO YOUR CHILD'S SCHOOL OFFICE BY SEPTEMBER 30TH

.....

- I do not wish my child's photo published on the website of the White Plains Public Schools.
- High School *only*: It is fine to publish my child's picture on the web but do not want my child's name associated with the photo.
- I do not wish my child's photo to be published in any district publication or included in any videotape.
