Spaces in Summer School are very limited. The Summer School also reserves the right to cancel any course for which there is insufficient enrollment (a minimum of 10 students per class) or if a certified instructor is not available.*

Once classes begin, permission from the principal or administrative assistant is required to change classes or to drop a course. **NO REFUNDS WILL BE MADE.** In addition, students must bring a written request from their parent or legal guardian in order to change or drop a course.

**Students who are able to be accommodated will receive their schedules upon successfully completing all necessary steps in the registration process.**

**REGENTS EXAMINATIONS**

- **No student will be permitted to take a Regents Exam in August who has not pre-registered for the test.\***

**\*Non-resident students will not be permitted to take any August Regents Examinations unless they are enrolled in that class in the White Plains Secondary Summer School.**

**REQUIREMENTS FOR SUCCESS IN SUMMER SCHOOL**

**Daily Attendance:** Summer School will be in session for a total of 20 instructional days, plus two days of Regents examinations. Each day of Summer School is roughly equivalent to eight days of regular school. A student who is 15 minutes late for class has missed the equivalent one day of instruction during the regular school year! Summer School is very structured and intense. In order to be eligible to earn credit and pass their classes students must be in attendance and on time every day.

***Rules and Regulations***

*The WPCSD code of conduct is in effect during all secondary summer programs. All students will be provided with a summary of the code upon request and given an opportunity to ask questions regarding enforcement. The following is not fully inclusive of the code, but please be aware that:*

- **Smoking or vaping is NOT permitted anywhere on campus** and will result in prompt disciplinary action.
- **Appropriate dress** is expected in all Summer School programs. Revealing attire such as short shorts, tube tops, etc. are not permitted, nor are clothes that display inappropriate, obscene, or otherwise distracting logos. Students in violation of this policy will not be admitted into the building.
- Student drivers must **obey the speed limit on school grounds** and park only in designated areas.
- Students MAY NOT go to their cars during school hours EXCEPT to leave for the day.
- **Visitors are NOT permitted on school grounds or in classes for any reason.**
- **Graffiti will not be tolerated.** Respect for school property is essential.
- Fighting, vandalism, and/or other episodes of inappropriate behavior as well as the possession or use of weapons, illegal or controlled substances, including alcohol, will not be tolerated. Violations will result in suspension from Summer School and legal action will be taken.
