## The Dude Says:

To create a shortcut to your desktop, find a blank area on this screen and right click on your mouse. You will have the option to create a shortcut or add to your favorites. Creating a shortcut will add an icon to your desktop. You can double click it the next time you want to sign in.

## SCHOOLDUDE.

### How to Submit a Request

• Make sure you are on the **Maint Request tab** at the top of the screen.

\*Note: Any field marked with a red checkmark is a required field.

- **Step 1**: These fields will already be filled in with your contact information according to how it was entered upon registration.
- Step 2: Click on the drop down arrow and highlight the Location where the work needs to be done. Do the same for Building (if available) and Area. Also, be sure to type in the area description or room number in the Area/Room Number field.

| Step 2 | Location 🗹                                    |                    |
|--------|---|--------------------|
|        | Dude High School                              |                    |
|        | Building<br>No Building Available 🔻           |                    |
|        | Area  | Area/Room Number 🗹 |
|        | Select Area 🔻                                 | Room 113           |
|        | Tes, remember my area entries for my next new |                    |

• Step 3: Select the Problem Type that best describes the request/issue you are reporting.

| Step 3 | Select Prob   | lem Type: 🗹      |                       |                |           |  |  |  |
|--------|---|------------------|-----------------------|----------------|-----------|--|--|--|
|        | Maintenance Help Desk:<br>Click here for Maintenance Emergency Contacts |                  |                       |                |           |  |  |  |
|        | Click on the p  | problem type bel | ow that best describe | es your issue. |           |  |  |  |
|        | OK Carper   |                  | Climate Control       | Contractor     | Custodial |  |  |  |
|        |   |                  | Event Setup           | Food Services  | Grounds   |  |  |  |

• Step 4: Type in a Description of the problem. Please provide as much detail as possible.

- Step 5: Enter a Time Available, such as a planning period, when workers can come by.
- Step 6: Select a Purpose for the work if necessary.
- **Step 7**: Enter the date you would like to have the work completed by.
- Step 8: Attach a file to your request if necessary (i.e. a picture of damage or setup diagram).
- Step 9: Type in the Submittal Password. "Password"

### SCHOOLDUDE.

• Step 10: Click the Submit button.

### **My Request Tab**

You can view any requests that you have entered into the system by clicking on the **My Requests** tab. Hover your mouse over the **Shortcuts** link and click on **My Maint Requests**. You will see a listing of any requests that you have entered into the system. You are also able to print out a listing of your requests by clicking on the printer icon.

| Maint Request         | IT Request        | Schedule Re | equest | Inventory Req              | quest | Trip Request | Му  | Requests  | S   |
|-----------------------|-------------------|-------------|--------|----------------------------|-------|--------------|-----|-----------|-----|

|                       | My Maint Requests |             |        |                            |       |              |     |           |     |
| My Maint Reque        | My IT Requests    |             |        |                            |       |              |     |           |     |
| Note: Once the result | My Schedule Requ  | ests        |        | a law and an and the black |       |              |     |           |     |

On the **My Requests** page you will see up-to-date information on your requests including the current status, work order ID number, and Action Taken notes. You can click on the number next to the status description in the **Request Totals** section to see all of your requests marked with that status. You can also search for any work order request by typing a key word into the **Search** box and clicking **Go**.
